**SUBJECT:** Reserving Funds to Cover Program Approvals, Prior to Release from DPD

**REFERENCE:** (A) Memo No. OLG-1043 dtd 20 Feb '59  
(B) Memo No. OLG-1221 dtd 3 Mar '59  
(C) Memo DPD 4-6003 dtd 21 May '59  
(D) Memo for Director of Plans from USAF dtd 19 Jan '59

1. The referenced documents are cited merely for the purpose of pointing up how innocent looking correspondence can result into a considerable obligation of dollars. Reference (B) above, when calculated to cover the second, third and fourth quarters of FY-59, will result in approximate costs to the Organization of \$66,460.00. Funds have neither been obligated nor are they available to cover the commitment.

2. Hereafter, any correspondence, requisitions, or other type of document containing fund implications will flow through the Comptroller, DPD with an appropriate funding estimate prior to release from this activity. This action is necessary, not only for the protection of the Development Project Division, but it is also necessary to protect the interest of the individual originating the commitment as well as each employee coordinating on the release.
